

RACING ATTRACTIONS

EA NASCAR Racing

This awesome racing attractions features 6 authentic NASCAR Trucks as well as real Sprint Cup drivers. EA NASCAR Racing gives players the thrill of racing equaled only by the real thing. Games can be linked for awesome head-to-head action.

Daytona USA Racing Simulators

These linked games allow exciting racing against each other on the virtual track. Available in packages of 4 or 8 machines. Let us run them indoors or use our air-conditioned trailer for outside events.

Smaller RC Racetracks

Now we offer RC racing on more, different, exciting scales. Enjoy our standard 20' x 25' track with 1/10th scale cars (see front cover) for big time events. If space is an issue, other exciting options are our 10' X 12' Mini RC Racetrack (left) and 5' X 8' Stock Car Challenge (right).. Call for details.

Pit Stop Challenge

Feel the power like the pros do! Our high impact wrench is safe to use and just like the real thing.

GO OVER THE WALL!

Automatic timing and an easy to use setup make this attraction a definite hit at any event. Participants simulate a real pit stop without any heavy lifting. Great for competitions and for giving your event a true NASCAR appeal.

ThunderDome specializes in a wide range of event programming. We will adjust to meet your needs.
